

## **Request for lump sum pension payment on moving abroad**

If you move abroad (not including Greenland and the Faeroes) on a permanent basis, you are entitled to terminate your PensionDanmark pension scheme and claim your pension savings in full.

To be eligible, you must have resigned from your employment in Denmark; the obligation to pay pension contributions to PensionDanmark must have lapsed, and you must have no intention of moving back to Denmark at a later date.

### **We will pay the benefits when you have been registered as having left Denmark**

We cannot make a payment to you until you are registered as having left the country with the Civil Register and Skattestyrelsen (the tax authorities). You can make these registrations at borger.dk. Contact Borgerservice (citizen services) in the municipality where you lived in Denmark if you need help.

Please fill in the form on the next page and return it to us together with a copy of valid photo ID, e.g.:

- Passport
- National ID card with a photo and information about your birth
- EU driver's licence

Please note that as soon as the disbursement has been made, you will automatically be disenrolled from the pension scheme. From that date onwards, you have no rights vis-à-vis PensionDanmark.

Upon our receipt of the form with the required documentation, you will receive the value of your savings less 60 per cent tax to the Danish state. Please note that savings of less than DKK 100 are not paid out.

*Fill out the form on page two.*
