

# Your Health Scheme with PensionDanmark

## See your health services

We offer different health packages, so you can choose the option that fits you the best.

**Scan the QR code** and see which package you have today, and which health services it includes.

## Are you unsure about which help you need?

Then call our health counselors. Together, you will find the solution that fits your needs.

 **+45 70 12 13 35**

## Do you have pain in your joints or muscles?

Call our physiotherapists and get advice about your options.

 **+45 70 10 08 06**

## Take our health test

Answer questions about yourself and your habits on [pension.dk/en](https://pension.dk/en), and get an overview of your health.
